STORAGE

WHO WE ARE

Caddy Storage was established in 1986. We have grown to become one of Australia's largest manufacturers and suppliers of commercial vehicle storage systems and automotive accessories. Originating in the family garage at Northmead, Sydney, Caddy Storage has expanded to 10 company owned stores and 4 franchise locations and boasts over 150 staff. Our Sydney headquarters is situated on a 13,310 m² block of land with the office, manufacturing facilities, despatch department and fitting stations covering 8,420 m².

Caddy Storage has 35 years of experience being the innovators, not the impersonators, so you can be confident we're always up to date with the latest vehicle storage systems. We pride ourselves in manufacturing and engineering high-quality products here in Australia, designed specifically to local trade specifications. You can also have peace of mind knowing we offer warranty and guarantees on all products. With office and distribution outlets nationwide, we can install or deliver wherever you are.

Our mission is to provide well-organised, affordable and practical storage solutions and accessories for any vehicle in any trade. No job is too big or too small - we cater to everyone, from sole traders to corporate businesses to national fleet companies.
